I originally thought of letting turnip leg and the person who stole the song to have a fair round-
but thanks to someone, those plans are ruined
?
Turnip leg met a strong opponent---- showing off her high pitch tone in the audition competitor Liu Dai.
Before the heart cools, hugging to whom
Using my heartbeat to give you a sad parting song ...

SONG YOON II SANG

According to the rules, each contestant has to choose a love song.
The song chosen by themselves ---usually the most familiar song. Also 3 days preparation----opponent's song.
Usually, people would give their best in the song they chose, and open the distance.
It's starting~
Liu Pai also without exception
If you can't even surpass her, then don't think of surpassing me.

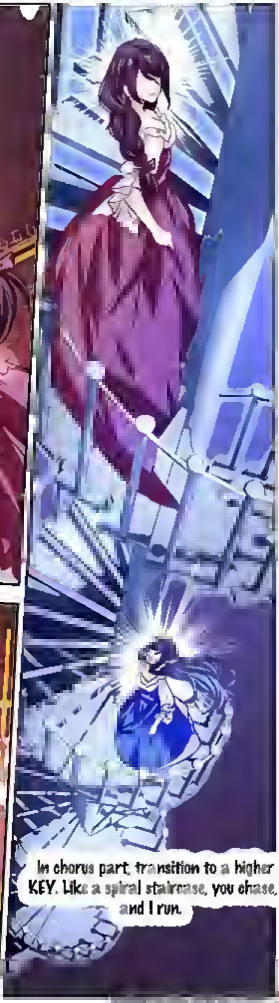
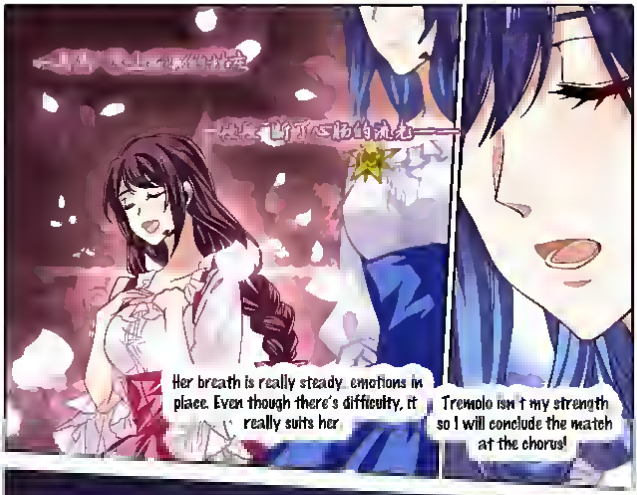
SONG: GAO XIAOSONG

《B Xiao Diao Yu Hou》, flamenco guitar beat. Range spans 8 octaves and has a strong vibrato



In chorus part, transition to a higher KEY. Like a spiral staircase, you chase, and I run.



Her breath is really steady, emotions in place. Even though there's difficulty, it really suits her.
Tremolo isn't my strength so I will conclude the match at the chorus!

两只手~捧着黯淡的时光
两个人~追着背影的去向
